Selectmen's Meeting:

The Selectmen hold their regular meetings on the second and last Tuesday of each month at 8:00 p.m.

INVENTORIES

The Selectmen will receive inventory blanks, over 68 exemptions and veteran exemptions and hear parties regarding their liability to be taxed at the Selectmen's Office from 9:00 a.m. to 12:00 noon on Saturday, April 15, 1978. NOTE: that no appeals for abatements can be considered unless a completed inventory blank has been filed with the Selectmen by April 15, 1978.

WARRANT FOR TOWN MEETING

THE POLLS WILL BE OPEN FROM 9:00 A.M. TO 7:00 P.M.

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Warner Town Hall in said Warner on Tuesday, the fourteenth day of March, next at 9:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

ADJOURN: FOR BUSINESS MEETING SATURDAY, MARCH 18 AT 12:00 NOON.

2. To see if the Town will vote to establish a trust fund for Riverside as a public park within the Town of Warner. (Submitted by petition.)

3. To see if the Town will vote "Beginning at the next annual election of Warner Town Officers, the office of Road Agent shall be placed on the ballot and voted on by the town's people annually." (Submitted by petition.)

4. To see if the Town will vote to raise and appropriate the sum of \$1,500 to be used to upgrade a section of Rangeway Road (a Class VI Highway) extending a $\frac{1}{2}$ miles southerly from end of maintained road in the Burnt Hill area. (Submitted by petition.)

5. To see if the Town will authorize the Board of Selectmen to sand, plow and remove snow from the Community Action Program driveway at the Old Graded School for the benefit of the Senior Citizens Congregate Meal Site. (Submitted by petition.)

6. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to appoint a deputy treasurer.

7. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

<u>Appropriation</u>	<u>Amount</u>
Oiling	\$ 10,000.00
Highway Truck	13,000.00
2 Sanders	11,600.00
Plow	2,900.00
Capital Reserve Fund (Highway Equipment)	<u>17,500.00</u>
	\$ 55,000.00

8. To see if the Town will vote to appropriate \$300 (Three Hundred Dollars) for Fire Roads and authorize the withdrawal of the same amount from the Anti-Recession Fund plus interest that has accumulated (Included in Budget).

9. To see if the Town will vote to appropriate \$80,000 (Eighty Thousand Dollars) for the purpose of:

<u>Appropriation</u>	<u>Amount</u>
Plains Road Bridge	\$ 50,000.00
Roby Road Bridge	30,000.00
	<u>\$ 80,000.00</u>

the sum of \$20,000 (Twenty Thousand Dollars) to be raised by taxation in the year 1978 and the Board of Selectmen and the Town Treasurer to be authorized to borrow the remaining amount not to exceed \$60,000 (Sixty Thousand Dollars) on note or notes of the Town to be paid off in the sum of \$20,000 (Twenty Thousand Dollars) plus interest annually until said note or notes are paid in full (Included in Budget).

10. To see if the Town will raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

11. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes on the note or notes of the town.

12. To see if the Town will authorize the Selectmen to sell property taken for taxes.

13. Be it resolved by the Town of Warner that the New Hampshire Housing Commission be and is authorized to operate in the Town of Warner, in the State of New Hampshire, that said New Hampshire Housing Commission is authorized to sponsor a project, for elderly persons under Section 8 of the United States Housing Act of 1937 as amended, for the following accommodations: Existing standard housing 5 (five) dwelling units.

14. To hear reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

15. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this Sixth day of February, in the year of our Lord nineteen hundred and seventy-eight.

Charles C. Richmond
Carther-Lynn Bean
Joseph F. Dorrington

SELECTMEN'S REPORT

With almost 72% of our tax rate (\$60.30 per \$1000 valuation) going to support the Regional School District, it is no wonder that time and again we have tried to reason with the other towns in the district to see fair treatment for Warner taxpayers. This year Representative Jack Chandler submitted a bill to the General Court to correct the problem which some of our neighbors insist upon perpetuating. The bill proved to be so controversial that it could not be ignored so it was sent to interim study—the only way it could be buried until the next legislative session in 1979.

Meanwhile, the Board of Selectmen has sought, and received, legal opinions from two prestigious law firms on the advisability of filing suit on constitutional grounds to relieve Warner of its unfair, disproportionate tax burden imposed by the school district. Both firms reached the same conclusions though each approached the question from a different point of view. They cited one and probably two New Hampshire Supreme Court decisions which would have to be reversed to gain a favorable ruling. Your Board is recommending the appointment of a study group to pursue the Town's cause for just distribution of tax levies.

Board activity in defense of the town caught the attention of the New Hampshire Municipal Association. Two-term Selectman Lynn Bean was elected to the Association's Board of Directors and then became a member of the Executive Committee. The Municipal Association works closely with members of the General Court to promote laws which favor local government and to prevent the passage of statutes which could harm home rule. We can all take pride in Lynn's opportunity to contribute substantially to such an effective organization.

Our Police Chief Marty Nogues was forced by the press of business to resign from the department in April. Until Otto Fredericks was appointed by the Board in July, Chairman Charlie Richmond served as acting Chief. The State Police under Lt. Loomis gave the Town excellent coverage—the crime statistics for the three months bear this out. Frank Vranorsey, John Mottram and Jack Johnson did much to contribute to the law enforcement effort.

The long summer saw a great deal of teen activity around the Town Hall, on Main Street, in the Old Colonial Inn and behind the Community Center. At one point the Selectmen called a public meeting which was attended by the local service clubs, other community organizations, interested citizens and the teenagers. The teenagers cleaned up the Town Hall, mowed and raked the lawn and planted flowers which were donated by the Woman's Club. For awhile things seemed to subside, then some annoyances reappeared. Some relief has been gained since Sonny Flanders and others razed the Colonial Inn and filled the cellar hole. Otto Fredericks and his newly rebuilt police department have also contributed to our improved tranquility.

Road Agent Perley Nutter resigned in May after only one year of service. He was replaced by Allen Brown who has:

- Repaired Pumpkin Hill Road from Coal Hearth Cemetery to the Salisbury line.
- Started work on Roby Road (West) to raise the road above flood level.
- Improved many dirt roads which had fallen into disrepair.

The Selectmen obtained a CETA grant of almost \$9,000 to hire three people to do work around town buildings, to help the road crews, to improve fire roads and paint town equipment. The Army Reserve demolished and removed the hazardous Rattley Bridge. Don Laing's Bridge has been rebuilt under Wes Haynes direction. Reappraisal has been started and will be completed next summer. Our ski tow building burned to the ground in December. The New Hampshire Supreme Court decided in Warner's favor on a tax abatement appeal by the Public Service Company--though the company had offered the Board several opportunities to settle (many towns did), the Board felt that the assessment was reasonable--and the town saved \$32,000.

Much work has been done on the Town Hall to keep it in shape for the townspeople and their organizations to use. Much electrical wiring has been replaced. The furnace has been repaired and some emergency work on the heating system has been completed. Ted Bliss and the Kearsarge Theatre Company contributed more repairs to the hall and electric wiring. Emergency lights and boiler room fireproofing have been added under Fire Chief Paul Violette's direction to bring the building up to safety standards. All is not rosey with the Town Hall yet, for much work needs to be done on the heating pipes. A storm sewer blockage below Cricenti's Market caused the basement to flood several times during the summer--state and town crews worked together to correct the problem.

Barbara Annis has placed a scheduling calendar in the Town Hall to show what days the hall is to be used and by whom. This innovation has proved to be most helpful to all those seeking to use the Town Hall.

Though the Selectmen have only been required to meet the second and last Tuesday of each month, we have found that weekly business meetings serve the town much better. Work sessions--in the office and meeting different groups of citizens elsewhere--have taken place most Saturday mornings. It has been a pleasure to work with and for you.

Charles C. Richmond, Chairman

TRUSTEES OF TRUST FUNDS REPORT

Trustees have custody of 322 permanent trust funds with aggregate cost value of \$127,412.25, market value of \$132,259.78 and unexpended income, including accumulations of prior years, amounting to \$13,547.70. In accordance with instructions pertaining to each trust, the sum of \$9,349.49 was expended during the year 1977 with the Town of Warner, Kearsarge Regional School District, Pillsbury Free Library, United Church of Warner, Almoners of Foster Fund, Pine Grove Cemetery Association, Inc., and care of various cemetery lots participating in the distribution.

Also the Trustees of Trust Funds have custody of a temporary fund with a balance of \$3,872.90 in connection with the new cemetery at Waterloo and an income balance of \$577.82 representing a capital reserve account for the Warner Village Fire Precinct.

Further detailed information concerning said trusts may be obtained from the reports on file with the New Hampshire Tax Commission, Board of Selectmen, Town Clerk, Town Treasurer, Town Moderator and each member of the Board of Trustees of Trust Funds.

Respectfully submitted,
John P. H. Chandler, Jr.
William J. Thomas, Jr.
Caleb W. Whiton
Trustees of Trust Fund

AUDITORS REPORT

We, the undersigned, have audited the accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Trustees of Trust Funds, Almoners of the Foster-Currier Funds, Board of Management of the William D. Davis School Fund, and Overseer of the Public Welfare for the town of Warner, New Hampshire for the year ending December 31, 1977 and found them correct except for the following:

1. Overpayment by Town Clerk to Town Treasurer on 1977 Auto Permits - \$21.50.
2. Underpayment by Town Clerk to Town Treasurer on 1977 Dog Licenses - \$12.
3. Underpayment by Town Clerk to Town Treasurer on 1977 Dog License Penalties - \$1.

Balances on hand as of December 31, 1977:

Town Treasurer	\$ 129,539.61
Revenue Sharing Account	22,706.76
Chandler Reservation Account	5,252.83
Anti-Recession Fund	213.17
Warner Community Block Grant	231.06

CALLS AND ALARMS OF PREVIOUS YEARS

1966-----44 calls	1972-----55 calls
1967-----30 "	1973-----52 "
1968-----27 "	1974-----77 "
1969-----47 "	1975-----90 "
1970-----37 "	1976-----92 "
1971-----51 "	1977-----84 "

The year 1977 saw many changes in personnel within our department. Nine members resigned at various times throughout the year, either because of a move or for personal reasons. The following are the members who resigned: Deputy Chief Irving George, Peter Chalfant, Thomas Chandler, Stuart Howlett, Robert Durgin Sr., Richard West, William Boomhower. Richard Wheeler and Walter Bowers Jr. were with us for a few months, then resigned because they moved out of town.

New members elected during the year were: Daniel MacCreighton, Richard Brown, Patrick Monaghan, Alfred Maheu, Thomas Heslop, Charles Baker and Emmet Bean. All of us would like to take this opportunity to

thank all the members who left our ranks, for a job well done throughout their years of service. A plaque was presented to Irving George in appreciation of nearly fifteen years of service. We were also grieved during the year by the loss of retired fireman Charles A. Dow. "Chuck" to many of us was a long time friend and neighbor, we shall miss him.

Because of the large number of new firemen being elected in such a short period of time, the Officers of the Department initiated a "Rookie Training School" to instruct the new personnel in many of the basics. The course consisted of sixteen hours of both classroom and fireground training, using our own equipment and methods. The new men proved to be good students and very interested in becoming good firefighters. Training Officer Captain Donald Hall along with Lieutenants Edward Monaghan and William Jewell provided the instruction for the course.

At long last, early in the year, we placed our first Tank Truck in operation and later in the spring, we placed Tank 2 in operation. Although the second unit is not painted and lettered as of this writing, it is ready to roll on any call. We can now respond with two pumpers and two tankers, with a total water capacity of 4500 gallons. This triples our capacity of water we bring to the fire scene with us and could be very critical, especially in the outlying areas of town. Both of these tankers were built or rebuilt by our Department members, using our own generated funds, plus donations from interested persons in and out of town.

At our election of officers in December, Captain Donald Hall was elected 2nd Deputy Chief and Neal "Rusty" Flagg was elected Clerk-Treasurer. Richard Cutting who has been Clerk of the Department for the past six years, remains in his position as Captain in charge of vehicles and drivers. Lt. Edward Monaghan Sr. was promoted to Captain and Fireman Ronald Piroso to Lieutenant.

We are looking forward in 1978 to expanding our Fire Prevention and Fire Training programs and to further improve our alerting system to keep our response time as quick as possible.

Now a word about wood stoves. Many residents are installing or have installed wood burning equipment in their homes to save fuel expenses and energy. Old chimneys are being used for the first time in many years. New chimneys are being installed by unqualified persons and may be hazardous. We suggest that before installing a wood stove, give us a call at 456-2222, and we will provide you with proper installation information or come and inspect your location if you wish. If you have a chimney fire or any other emergency, call our regular emergency number, 456-2233, before it's too late.

We would like to thank all who assisted us during the past year; as always, it has made our job much easier.

Paul E. Violette
Chief

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Forest fire control in New Hampshire is a joint state and town/city responsibility (RSA 224).

The Director, Division of Forests and Lands (State Forester) appoints a forest fire warden and several deputy forest fire wardens in each town/city upon the recommendation of local authorities.

The local forest fire warden is responsible for forest fire prevention and suppression activities in his town. He regulates the kindling of outside fires when the ground is not covered with snow by the issuance of written permits only when conditions are safe. He is responsible for suppression with the town/city and state sharing the cost. Suppression costs in excess of $\frac{1}{4}$ of 1% of the assessed valuation of the town are assumed by the state.

The state provides training for the local fire organization and helps coordinate activities between towns/cities. The state also supports local forces with backup personnel, equipment, and supplies for suppression and prevention.

This combination of state and local cooperation, started in 1893, works well, for New Hampshire has enjoyed one of the smallest acreage losses due to forest fires in the United States for the past 25 years.

KEARSARGE VISITING NURSE ASSOCIATION REPORT

"You may stay in your home and be taken care of right there," or "You can go home from the hospital now." These are some of the most welcome and wonderful words heard by anyone who has been ill. They mean the chance to stay or be reunited with family and friends and to be in the comfortable and well-known surroundings of home.

The Kearsarge VNA feels home health care is a cost-effective, efficient way of meeting the needs of the people in their usual environment. The graph below reveals the progress we have made in 1977. The total number of patient visits have grown in all of the services offered with a continued increase of 20% anticipated in 1978.

Total home visits in 1977, 5852.
(This includes physical therapy, occupational therapy, speech therapy, health education, home health aide and supervisory)

Home visits to your town, 730.

Total homemaker program visits in 1977, 1,551.

Total homemaker visits to your town, 122.

Skilled nursing care visits, 3,539.
(Includes care of catheters, colostomies, dressings, injections, heart/lung exams, etc.)

Nursing intervention and prevention visits, 1,300. (Includes preventive testing, health guidance and support, counseling, teaching.) No charge to patient.

Programs offered by Kearsarge VNA:

Current

- Adult health screening clinics
- Child health clinics
- Mental health care
- TB testing and follow-up
- Immunization clinics
- Dental clinics
- Homemaker service

Anticipated

- Cancer outreach program
- Prenatal classes

Home health care touches the lives of the people closest to you. It is only through your support that we can continue to provide high quality professional services. We thank you for your assistance through appropriations, contributions, and your donations of food, clothing and medical equipment.

Jane Heald, Administrator

Tanya Wilkie, Supervisor

Your town representatives are: Mrs. Edward Davis and Mr. Fred Creed

COMMUNITY ACTION ANNUAL REPORT

Over the past four years, the Kearsarge Valley Community Action Program has been the focal point of social services delivery in this area. It has provided, through its staff and facilities, assistance to the community as a whole, as well as to low income families. With the renovation of our multi-purpose facility we have been able to expand our capacity to serve the needs of local residents.

In addition to maintaining office hours Monday through Friday from 8:30 a.m. to 4:30 p.m. at the Old Graded School, we have also provided the following programs and services:

A congregate meal each Tuesday for Senior Citizens, Rural Bus Transportation on Tuesdays and Thursdays, Winterization, Fuel Loans, Oil Burner Efficiency Testing, Operation Green Thumb, Head Start, Summer Playground, Summer Work Experience, Rent-A-Kid, Teen Drop-In Center, Shopping Assistance, Housing Assistance, Food Stamp Assistance, Tenant-Landlord/Welfare Advocacy, Manpower Employment Assistance, Food Pantry, Financial Counseling and Transportation.

The center is also available to local non-profit groups such as Boy Scouts, Girl Scouts, Red Cross, Adult and Well-Child Clinics in cooperation with the Visiting Nurses, and the Warner Food Buying Club. We have initiated a Thrift Shop and a Food Co-Op featuring produce that is available to all Kearsarge Valley residents.

Your financial support is needed for the continued operation of the area center, rather than for specific programs, which receive their funding from various sources. The share of our total operating budget for which we ask the town of Warner to contribute is based upon the percentage of local resident participation in Community Action programs or services. This is the most equitable procedure for dividing the costs among the eight area towns.

The Kearsarge Valley Community Action Staff appreciates the interest and support from the volunteers and residents of Warner and anticipates working on behalf of your community again this year.

Sincerely,
Patricia McMahon
K.V.C.A.P.

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION REPORT

At the end of 1977 and seven years of operation the Central New Hampshire Regional Planning Commission has been involved in a multitude of studies, both of regional nature as well as those of purely local interest.

Current studies include the researching of and preparation of a series of model ordinances which should prove useful to those communities wishing to use them.

The Commission is most grateful to the Warner Planning Board for its time and assistance in reviewing the draft of the Regional Land Use study. Such input is extremely useful and meaningful in developing more concise regional studies.

The Commission has also been pleased to be of assistance to the Town in researching various methods and availability of grant monies.

In addition, the Commission was pleased to host a series of six legal seminars again this fall which were well received and attended by members of local boards and citizen groups. We trust they proved useful to all participants.

The Commission hopes to be able to continue to serve the needs of its member communities in future years and appreciates the past support of its activities by the Town of Warner.

Respectfully submitted,
Charles F. Thoits
Elmer J. Roth

PILLSBURY FREE LIBRARY

Pillsbury Free Library has passed through a most satisfying year. In April, during National Library Week, the Children's Room was formally opened with an open house. Quite a sight to see the youngsters come down and pick out their books or records; or sit and listen to the records. Film programs are conducted during the year, and story hours are held each week in the summer. All in all a valuable addition to Library work.

Friends of the Library have been very active, arranging exhibits and decorations every month. In October they held a Harvest sale.

Circulation continues to gain. This past year 14,372 books and magazines and 514 phonograph records were taken out, an increase of 3900 over the previous year.

During the year 673 books and 20 phonograph records were purchased. And 74 new patrons started to take out books and magazines.

Through a gift of \$400, an air conditioning unit was installed.

Once more, late in the fall, Mr. Leo Perron of Perron Brothers, Roofers, of Concord examined the building and found it in good shape with no repairs needed.

And finally, words of deep appreciation to the Librarian and her assistant for the fine work they have done.

Respectfully submitted,
Richard U. Cogswell.

REPORT OF WARNER PARKS AND RECREATION COMMISSION

The Warner Parks and Recreation Commission is proud to report on our activities for 1977.

Two projects occupied the winter season. We began by setting up a skating area in the park, and many enjoyed beautiful winter skating on weekends. We then completed work on the toilet facility in the park. We painted inside and out, had electricity put in, and the building was readied for summer use.

Seeding, fertilizing and rolling the field also occupied much of our time during the spring.

We then set about building bleachers and erecting a scoreboard. Many thanks to the Merrimack Valley Telephone Company for the use of their equipment and volunteer help and to all others who so willingly contributed to this project.

The park was used constantly last spring and summer. The elementary school held picnics. Head Start and the CAP Playground Program were steady users.

Little League and Peewee Baseball flourished this summer. With the help of many dedicated men and women from town, we had a Peewee program for over 70 children.

We arranged through the sponsorship of the Warner Woman's Club to send Kelly Pickering to the Youth Conservation Camp at Bear Brook State Park. The Woman's Club also contributed funds toward soccer nets and

balls and a volleyball net and ball which have been ordered and will be available for spring and summer use. A big thank you to everyone for your support.

We also set up a "Hot Shot" Basketball program and two Warner boys went to Boston for the championships.

Our future plans include a horseshoe pit, picnic tables and a small storage facility for the sports equipment.

Thanks to all for your support. It's Warner's park--let us know what you want its use to be and come and use it!

WARNER PLANNING BOARD REPORT

It is the policy of the Planning Board to strive for orderly growth in areas which have available facilities and which can be readily serviced by various Town Departments. In this way we hope to avoid putting an unnecessary strain on the present budget and consequently the taxpayer. We feel that our zoning and sub-division regulations give us the necessary tools to keep from becoming inundated and overrun by the sprawling suburbia which threatens other areas of the state.

Carther-Lynn Bean

POLICE DEPARTMENT

This report is intended to provide information regarding the re-organization and change of command of the Warner Police Department which took place on July 1, 1977. Included will be details concerning the telephone dispatch system, personnel presently employed, department organization, training program, department activity and finally future planning.

DISPATCH SYSTEM

The present system employing three dispatchers was implemented after considering a number of alternate methods. In any public service operation such as fire, police, ambulance, etc., the means provided for receiving public emergency reports and inquiries and also providing a dispatch service must, above all, be reliable to insure that all incoming calls are answered promptly and action taken as required. In my judgment, the reliability factor for a part time department is equal in importance to that of a full time enforcement agency. The problem usually faced is one of achieving the objective reliability at a reasonable cost to the community served, in other words the cost-benefit ratio must be considered. Our present system is working as planned and at a cost considered below other possible dispatch arrangements without sacrificing any reliability. Calls are being handled on a 7-day, 24-hour a day basis rotated between

the three dispatch locations. All calls received are logged in and another feature was added, all calls are automatically recorded for possible future reference. The dispatch employees are doing an outstanding job as reflected by the record to date and are performing a real service to the community. Their importance to the whole police department operation is great. On a day to day basis they are in contact with the public and other agencies and must be prepared to react properly in any emergency. This they have done and certainly will continue to do throughout the coming year.

DEPARTMENT PERSONNEL

The selection of the four individuals presently employed as police officers by this department was made after reviewing applications submitted. Final selection was made on the basis of previous training or experience, aptitude, willingness to learn, physical condition, and enthusiasm for the work. It was also considered important to bring some new, young town citizens into the work in order to insure a continuing source of trained individuals for the immediate and future needs of the department. Accordingly, the individuals listed elsewhere in this report were interviewed and accepted for the position of police officers. All were placed on a six-months probationary period during which time they received training in basic police procedures and operations. All officers completed their probationary period in a satisfactory manner and were assigned to regular patrol duty on a scheduled basis. It should be noted that all training hours are unpaid, donated hours by the officers which is an indication of the continuing effort being made to achieve a certain degree of competence and professionalism not too common among part time police departments.

DEPARTMENT ORGANIZATION

Four regular officers and the chief are responsible for all scheduled patrol activity and also handle the complaints, accident reports and other emergency calls received via the department dispatch service, the State Police or other sources. In addition, a special police officer is employed as an animal officer to handle those complaints and enforce licensing and other local and state laws pertaining to animals. The dispatch service functions as a separate part of the department in that there are no police telephones in the homes of the regular officers with the exception of the Chief's home. The dispatch service schedule is rotated on a seven-day assignment. The present number of department employees including dispatchers, regular and special officers and chief totals nine. There are no vacancies existing in the department at the present time.

TRAINING PROGRAM

Training meetings are held twice a month with sessions usually lasting two hours. All training up to the present has been conducted by the chief but during the ongoing program, arrangements have been made to include guest instructors from the N. H. State Police, County Attorney's office, and other enforcement and service agencies. In addition, officers will be required to attend special courses and classes offered in connection with the N. H. Police Standards and Training Council programs. In order to perform the duties of a police officer properly even part time, a vast amount of time and effort must be devoted by individuals to learning and understanding the many legal, technical and operational details of law

enforcement today. Training must, therefore, be an ongoing project and our programs will be planned to keep pace with the officers needs and requirements in order to better serve the community.

DEPARTMENT ACTIVITY

The figures indicted represent activity from July 1 through December 31, 1977.

Mileage on Vehicle (December 31)	20,015
Calls received by Dispatch	552
Accidents investigated	16
Fatal accidents	1
MV warnings issued	8
Defective equipment tags	17
Parking violations	10
Criminal arrests and assists	4
Court cases	15
Missing persons	3
Untimely deaths	2
Complaints:	
Thefts - B & E	16
MV theft	6
Criminal mischief/vandalism	9
Disturbances	4
Criminal threatening/harassment	4
Juvenile	35
Animal	10
Miscellaneous	25
Police Meetings/Training	13

FUTURE PLANNING

Present plans call for a continuing emphasis on training, both within the department and outside courses offered within the state by various agencies. Other areas being considered include community relations programs such as crime prevention via local community organizations and clubs, school programs directed at safety items and deterrent programs aimed at providing information on the consequences of alcohol and drug abuse. While no firm commitments have been made with regards these programs except training, steps will be taken to implement them on a progressive basis.

Otto W. Fredericks
Chief of Police

WARNER AMERICAN REVOLUTION BICENTENNIAL COMMITTEE REPORT

As the activities of the Warner A.R.B.C. seem to be "winding" to a close, it is with a real sense of accomplishment we have paid the Town in full for the money which was loaned towards the cost of the revised edition of Harriman's History of Warner which was originally published in 1879. I am certain that those who have seen the revised history can vouch for the added features and interest that the original history did not have. At the time of the Warner Fall Foliage Festival we were able to sell quite a number of copies, also the commemorative medals, which helped to pay the outstanding indebtedness. For those who may still want to obtain either or both of the two above mentioned items, they may be obtained at the Kearsarge Insurance Agency office on Main Street, and I also have a stock on hand. The price is the same, that is, \$15 for the unnumbered copies and \$20 for the numbered copies, and the medals are \$3 each. These can also be sent via mail plus cost of mailing.

By a vote of the committee it was decided that all money in the committee account and any money received in the future shall be retained in the account and held as a nucleus for the 250th Anniversary of Warner which will be in the year 2024.

Various members of the committee were at the celebration of the Battle of Bunker Hill and received a Certificate of Recognition of the men who were from Warner who were in the Battle of Bennington on August 16, 1777. Those listed are Abner Chase, Francis Davis, Robert Gould, John Hoyt, John Palmer, Simeon Palmer, Paskey Pressey, Edmund Sawyer, and Abner Watkins.

It is sincerely hoped that the great cost of the many celebrations and the effort that has gone into these activities has not been in vain, and that from them will have come an awareness of the past and hope for the future.

REPORT OF THE WARNER VILLAGE FIRE DISTRICT

The voters elected the following officials at the 1977 Annual Fire District meeting:

Moderator	Richard U. Cogswell
Commissioner 2 years	Neil Smith
Commissioner 3 years	Afton K. Howlett
Clerk-Treasurer	Robert B. Cutting
Collector	Kathleen Dalrymple
Auditors	Mary Lord

This year marked the first full year of the operation of the waste water treatment plant. It was a year of trial and error for all of us connected with the operation; but, on the whole, we came out of the experience reasonably well.

1977 was the year that the National Safe Drinking Water Act went into effect, June 24. This creates another problem for the Precinct, since our water system is very old and does not meet the requirements of the act in many respects. Hopefully the Precinct can obtain Federal Funds for a study of all aspects of our water system and recommendations as to what we will have to do to assure the citizens of the Precinct good drinking water and fire protection in the future.

This spring we have to install the School Street sewer line to complete our waste water treatment system. This will create traffic problems on School Street, due to the fact that the whole street must be torn up and the pipe buried to a greater depth than normal because of the topography of the land. This job, including repaving the street, we hope to complete in about 45 days.

The Fire Department has had a higher than usual turnover in manpower, but has maintained its usual high efficiency of operations throughout the year.

The Commissioners would appreciate the cooperation of everyone in keeping hydrants free of snow during the winter months. It has been noted in certain instances that when driveways are plowed snow has been piled over hydrants, even obscuring the markers placed on them to aid Firemen in event of a fire. School children should also be cautioned not to bend or mutilate the markers, they are placed there to protect life and property.

The Commissioners thank the Town's people and all Town officials for their cooperation during the past year which has helped to make our job easier.

Respectfully submitted,

L. Waldo Bigelow Jr.

Neil Smith
